

Meeting 03-12-12

	Return on Investment DISCUSSION NOTE 3	Rob Coward
--	---	------------

Summary

Background

Brief summary of Return on Investment methodology
Applications of ROI in NHSScotland Health Boards
ROI training

Forward Look

Development of evaluation tools
ROI training in NHSScotland and beyond
Case studies, research and communications

Advice sought

To what extent are Healthcare Science projects currently evaluated?
What methods are currently used to plan and evaluate Healthcare Science projects?
Would colleagues be interested in receiving more information about ROI and/or participating in a training workshop?
