Applications are invited for the above post, which offers specialist training in Gynaecological Oncology. The post is for a fixed period of 3 years based at Glasgow Royal Infirmary (2 years for those who have obtained RCOG research exemption).

Applicants must currently be in a Type 1 training post, hold a National Training Number (NTN) and have completed the 3 years of core training of the Specialist Registrar programme or 5 years of core training of the Specialty Registrar programme when they take up post. The post commences in August 2018. Trainees should possess MRCOG. Successful candidate will be expected to complete the RCOG Advanced Professional module in Clinical Research within their three-year training period.

Applicants from outwith the West of Scotland should have the agreement of their Postgraduate Dean to retain their original National Training Number (NTN) and to return to their original Deanery at the end of the 2 or 3 year training programme.

The Programme Supervisor is Dr Smrta Shanbhag who can be contacted on s.shanbhag@nhs.net.

The Postgraduate Dean has confirmed that this programme has the required educational and staffing approval.
