

Theme 4: Make the most of the NES AHP Team's potential

| | |
|----------------|---|
| Objective 4. 1 | Make the most of the skills that the NES AHP Team has to promote excellence and innovation and support education to the highest standard. |
|----------------|---|

We will continue to:

- Develop educational expertise to support the development of the AHP workforce
- Encourage feedback and monitor the effectiveness and impact of the NES Team
- Improve the support we provide by ensuring the team works effectively and efficiently
- Work collectively to meet the outcomes highlighted in this document
- Be available as speakers and presenters at local and national AHP events

By the end of March 2012 we will:

- Examine our skills set as an AHP team and ensure we make the most of our skills for the benefit of the AHP workforce.
