

DENTAL CORE TRAINING 2023/24

Scotland - Edinburgh Dental Institute – Oral Surgery then Paediatric Dentistry

1.	HEE team/Deanery name	Scotland
2.	Type of training post	DCT2
3.	Rotational Post information	Rotational September 2023 - March 2024 - EDI: Oral Surgery March 2024 - September 2024 - Edinburgh Dental Institute (PDS): Paediatric Dentistry
4.	Training unit/location/s	Edinburgh Dental Institute: Oral Surgery Department and Department of Paediatric Dentistry
5.	Full address of training units where training will take place	Edinburgh Dental Institute Level 3, Lauriston Building Lauriston Place Edinburgh EH3 9HA
6.	Travelling commitment	There will be a requirement to travel within the NHS Lothian Health Board area in order to obtain a range of experience.
7.	Educational Supervisor	To be confirmed with post holder
8.	Description of the training post	This post is based in Edinburgh Dental Institute. It involves six months based in the Oral Surgery Department from September 2023 – March 2024 and six months based in Paediatric Dental Service from March 2024 to September 2024. The post gives the opportunity for assessment and treatment of new patients allowing the post holder to gain wide, well supported, experience. Oral Surgery gives the opportunity to perform a variety of surgical procedures, including extractions, biopsies and treatment of more complex conditions under LA, sedation and GA. In Paediatric dentistry, there will be the opportunity to treat a wide variety of patients, including dental trauma, using local anaesthesia, inhalational sedation and general anaesthetic. The Integrated Paediatric Dental Service runs clinics over several sites and some sessions will be away from EDI.
9.	Primary Care training element	
10.	Pattern of working, including any on-call commitment	

11.	Educational programme summary and library facilities	There is a Scotland-wide education programme for Dental Core Trainees which is designed to match the DCT curriculum. The programme has four themes running through each year of Dental Core Training. These are: Clinical, Communication, Career Development Skills, and Quality Improvement & Patient Safety. Posts begin with a local health board and NES induction, followed by a number of face-to-face study events throughout the year, supported by Turas Learn. These events include all Dental Core Trainees in Scotland, as does the annual trainee conference. All trainees have access to study leave time (in line with terms and conditions of service) and budget. This may be used to access MFDS/MFD/MJDF courses and other courses linked to an agreed PDP. DCT posts include time for self-directed learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects.
12. Employment information		
13.	Employer (s)	Lead employer: NHS Education for Scotland (NES) Placement board: NHS Lothian
